If you end up late and it is
night you will see

Cinderella's Castle light
up it is very pretty

And then you will see a
big golf ball but next to
that there is the big
Disney Castle you
should go over there to
see what's inside

Try to see all the
Disney characters like
Mickey, Minnie,
Donald, And Daisy.

Have you noticed
that Mickey and
Minnie might be
in love what would
you think.

*You should go to there
Paradise Pier there a
huge fairest wheel an a
lot of roller coasters!*

*Then you would see
Mickey's sorcerer
hat and if you see it at
night it glow very
bright.*

*You will go on
thousands of roller
coasters it will be
awesome!*

*You might even meet
some famous people?*

The end

Have fun!
