Diary

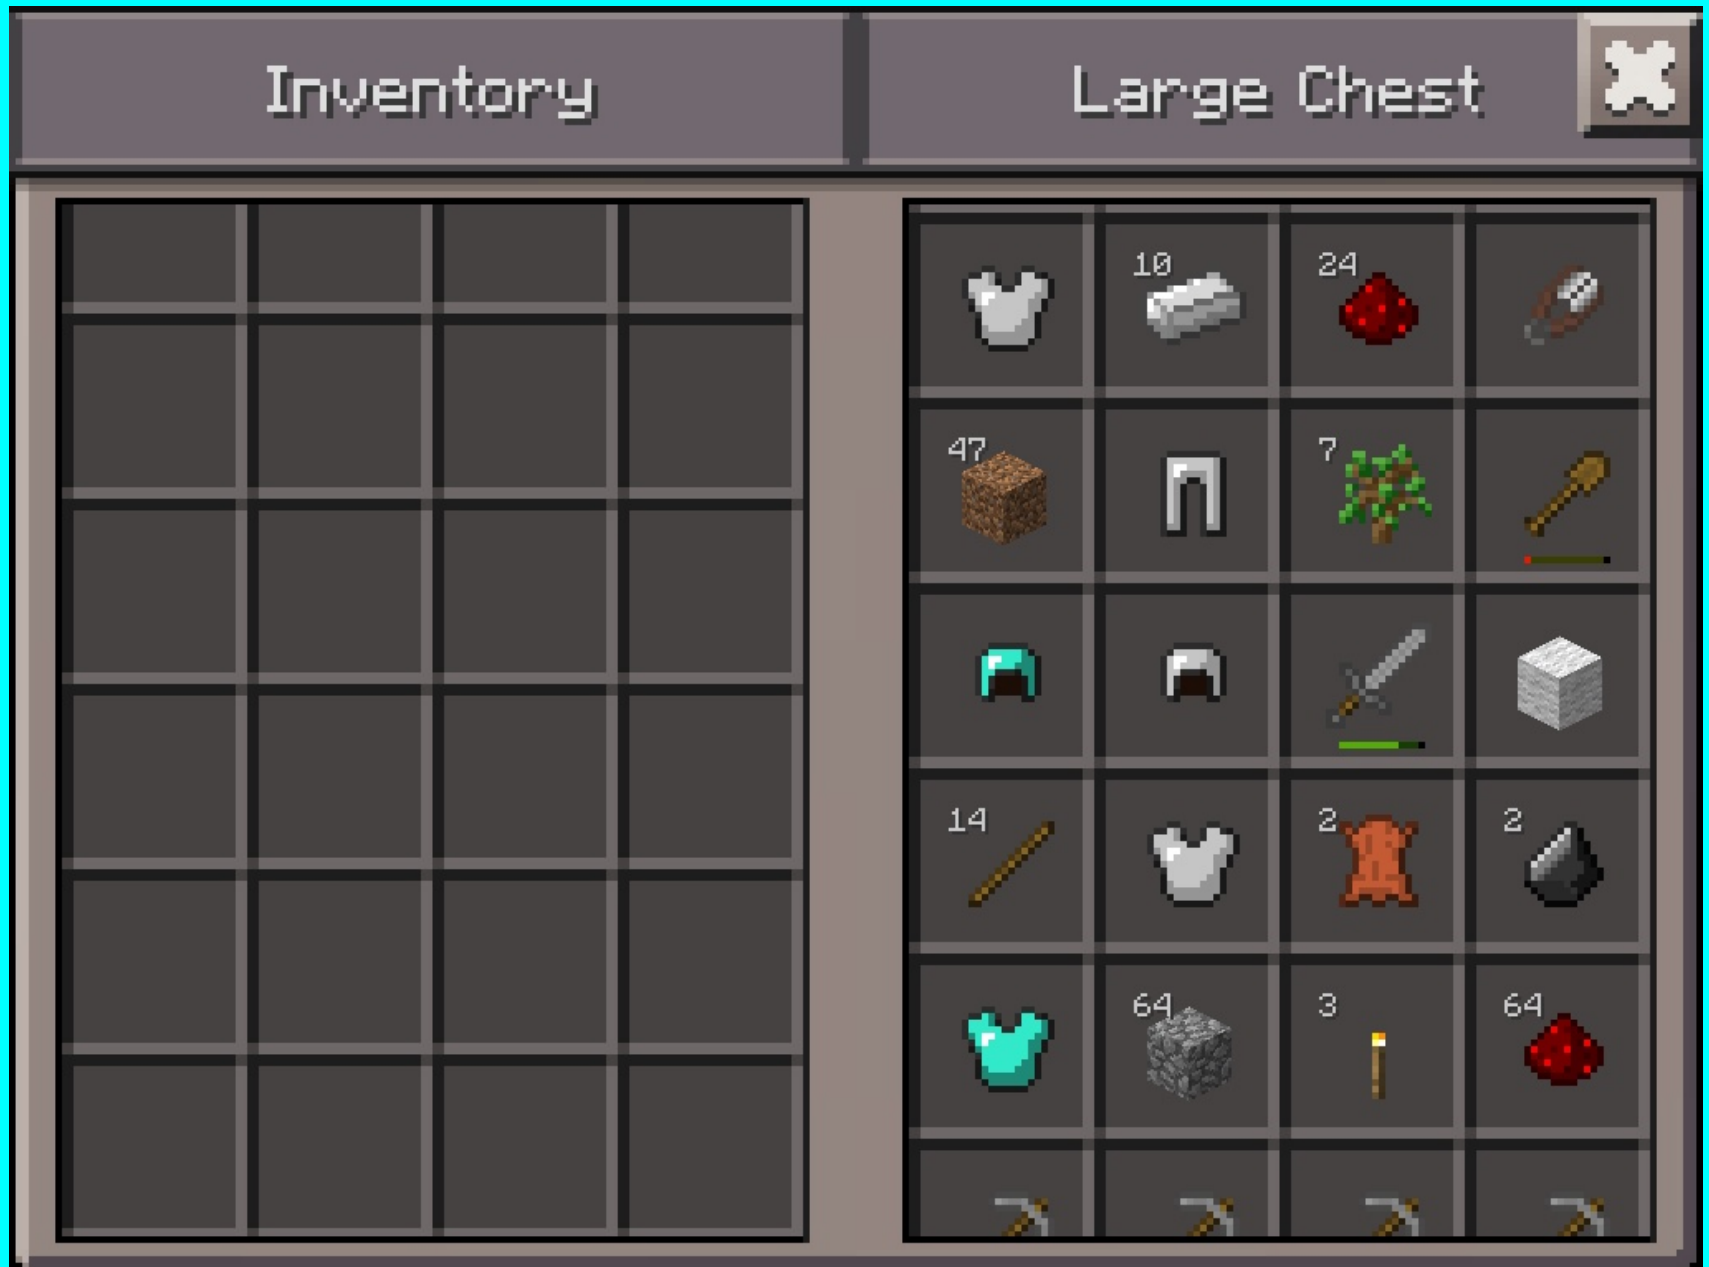

1st day: today i made a cave
house, tomorrow I want to build a
model enderdragon

*Today I built a house of Diamonds
that someone blew up!*

Today we cheated and got a ton of diamonds

Today I went mining. I
would be able to teach
how to tame animals

Today we killed a ton
of stuff tomorrow I will
creat a model
HULK!!!!!!!!!!!!!!!!!!!!!!!!!!!!

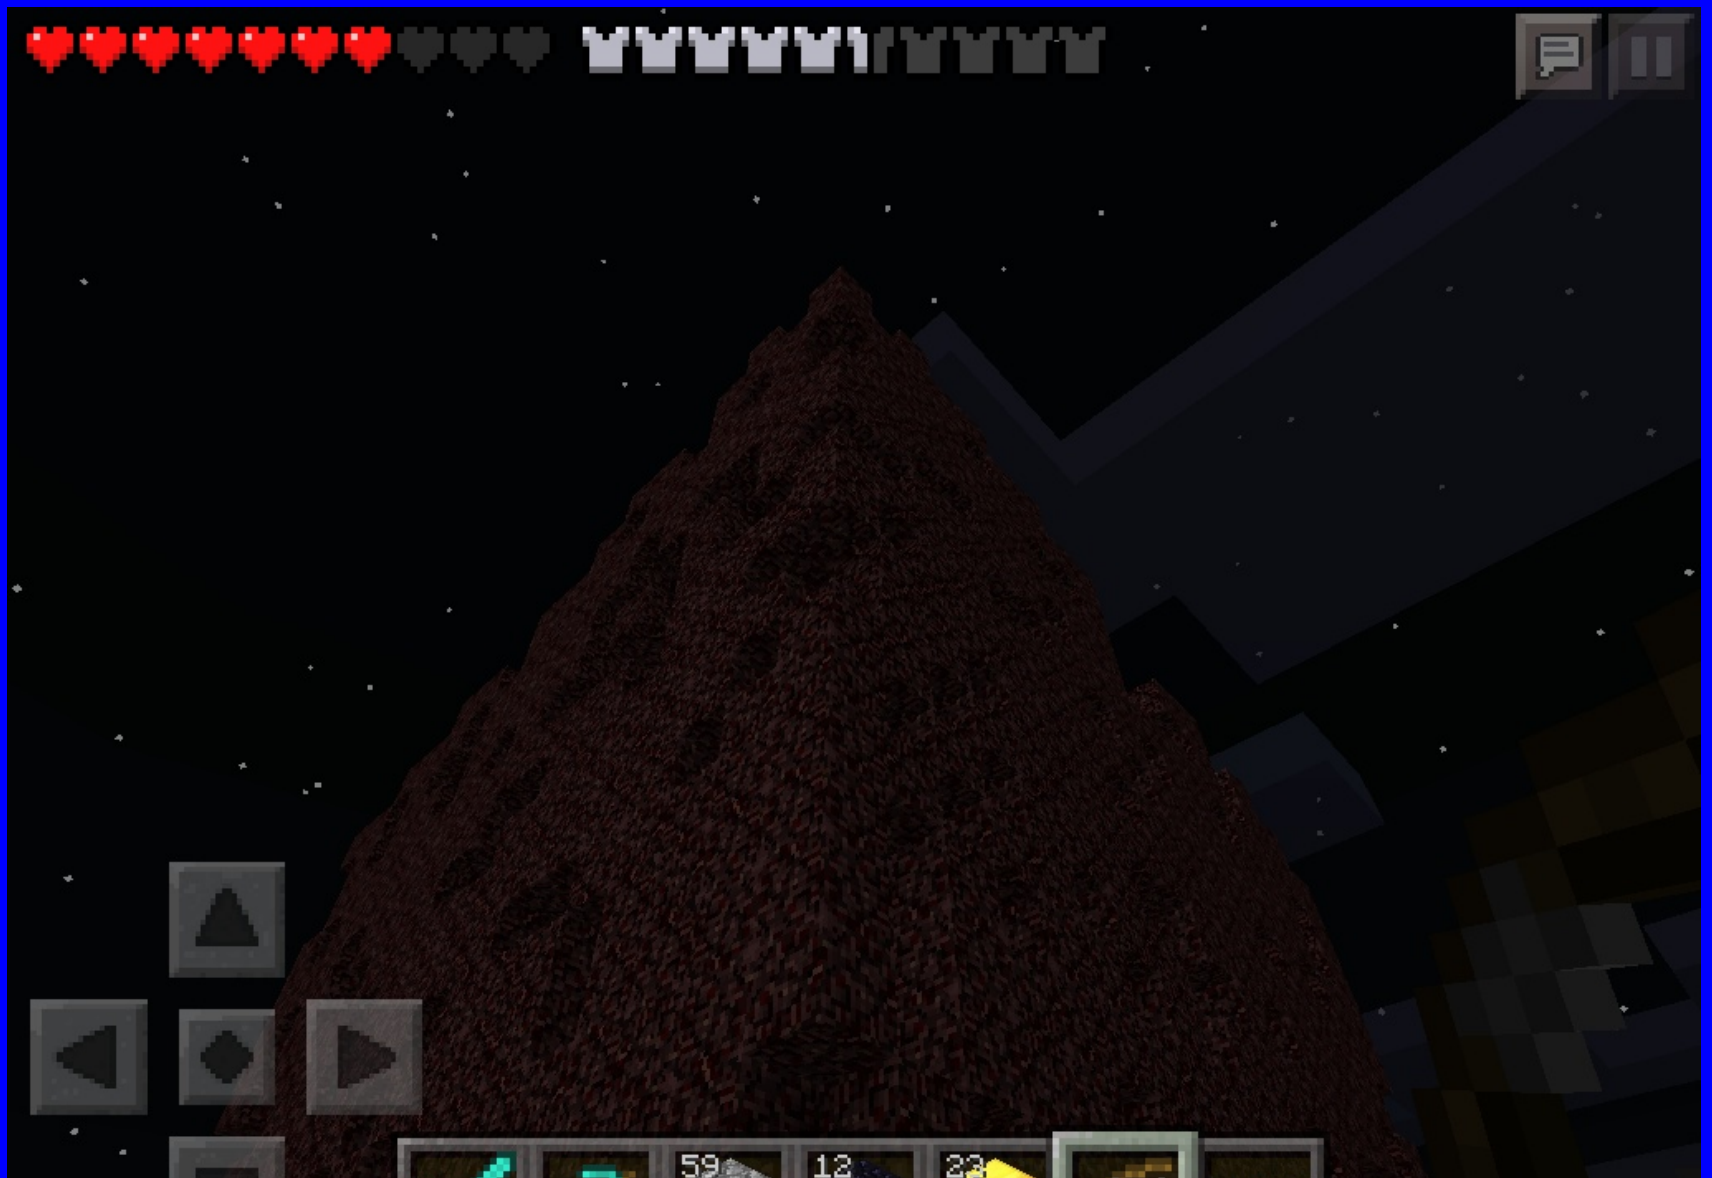

Today I made a dungeon map it was epic!!!!

Today we made a
nether reactor and we
made three of it

Today we went into
spider1259s
world, and we had
duplicates.

Today me and Marko
built baths for animals

Today I played in endergal5's world

Today we gotta new
update . My favorite
part is the baby
villagers and new
mobs

Today I went
sightseeing as you
can see

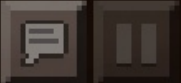

Today we breded
pigs and cows we
also had fun making
entrances to our base.

Today I made a roller coaster which is super huge and very epic

epic face

Today I played in many worlds and the things i liked was playing multiplayer

Today I found a huge sand village and a lot of stuff. It was really awesome
