portal to minecraft

Once upon a time there was a girl named Riley and she was walking home but then she heard a portal. She got scared, then looked around nothing was there. Then she turned her head and saw a portal behind her.

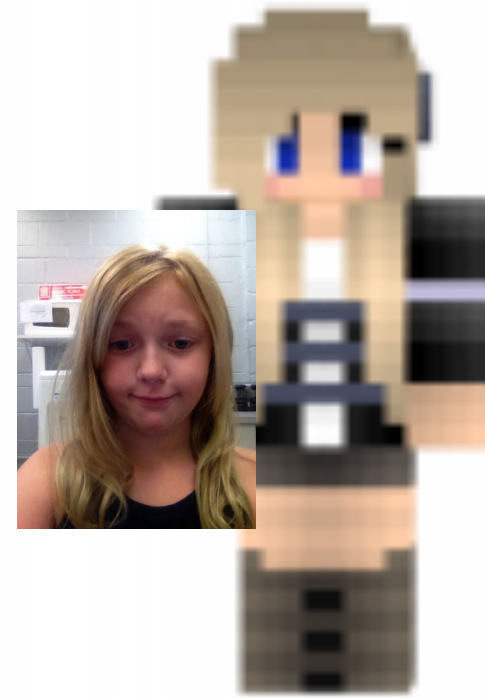

Then she got sucked into it and woke up with block hands and took one more look at it, she looked at the ground and the world, she noticed that it was minecraft she said " what how did I get in here she saw a house and ran over to it.

She said hi to Steve. "Hi!" said Riley. "Who are you I never seen you before" said Steve. "Well my name is Riley, and already I know your name." Said Riley

"So what do you need." Said Steve. Well I was wondering if I could stay for the night because I'm from a different world where you do not look like a block. This is me in the other world

So could I stay. Sure." Said Steve. Because if I die I really die I don't spawn like you do.

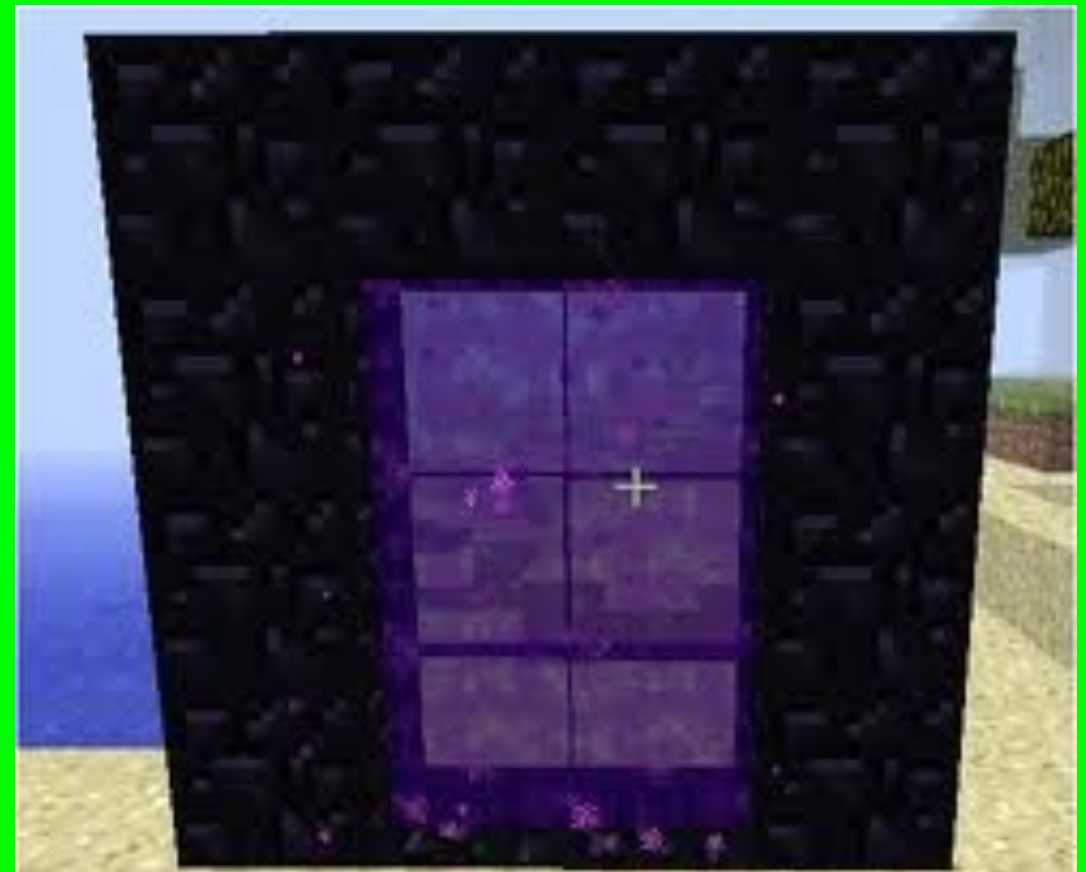

It's almost night. Do you have an extra bed. Yeah I do who wouldn't. Well my brother never has time to make a bed what's his name. You don't know him but his game a tag is fat fish. Fat fish that's not even a name well you can make up names. I'm tired good night.

Good night Steve.
Good morning Steve
I'm made you a cake
it's so yummy I had
half.

Well I need to go
back home. It was
nice meeting you
Riley. You to.

What a adventure. It was fun. If the portal is still here I will go back in.

The end
